PERSONALIZED CARE. CLOSE TO HOME.

YOUR HOSPITAL.

Caring for your family.

At Oviedo Medical Center, we understand the range of emotions that come along with the birthing experience. To lessen any fears or anxiety, we offer conveniences and services tailored to the needs of you and your newborn.

The birth of your baby is a special time for you and your family and should take place in a special setting. Oviedo Medical Center offers Labor/Delivery/Recovery/Postpartum suites so you don't have to be moved and your baby can stay right there with you. Natural lighting, plenty of space and the family centered care allow you to have the birth experience you choose.

Comprehensive and Personalized Care

- 24 hour epidural anesthesia coverage
- Wireless fetal monitoring available
- Partner or family members can be present throughout labor and delivery
- Flavored shaved ice
- Birthing balls and peanuts
- Aromatherapy massage oils
- Celebration dinner for mom and partner

Modern Facility

Our secured obstetrics unit includes six spacious, private rooms to give each patient personalized, attentive care. Each room includes its own private bathroom with shower, sleeper couch, table and chairs, closet and mini fridge. Your newborn stays in your room, but if you wish to rest, a secure nursery is available.

- Our nurses are certified in neonatal resuscitation & S.T.A.B.L.E., fetal monitoring and ACLS
- Highly trained and experienced staff
- Nemours pediatricians on call 24/7
